Linwood Inn has traced its roots back to 1882, when Union County was part of Essex County. Originally it was called the Linden Park Hotel. As one of the oldest buildings in Linden, the original City Hall planning meetings were held in this building.

The Inn has been here through the end of the Civil War, and every major War or Conflict since. It has also survived its own battle with eminent domain. It has seen many industries come and go, such as Cyanamide, Tenco, Dupont, Gordons Gin, and no one can forget General Motors Corp. (During WWII the factory employed many women who were dubbed Rosie the Riveters, built planes and tanks to send into battle).

In 2006 the Star Ledger Munchmobile voted Linwood "Best Burger". They should come back and try the Pizza.

The Linwood has kept stride with the ever changing times to ensure a family friendly, local gathering place, with great food. Now boasting 35 Beers on tap, making it a true Tap House.
