Linwood Inn has traced its roots back to 1882,
when Union County was part of Essex County.
Originally it was called the Linden Park Hotel. As one
of the oldest buildings in Linden, the original City Hall
planning meetings were held in this building.

The Inn has been here through the end of the
Civil War, and every major War or Conflict since. It
has also survived its own battle with eminent domain.
It has seen many industries come and go, such as
Cyanimide, Tenco, Dupont, Gordons Gin, and no one
can forget General Motors Corp.(During WWII the
factory employed many women who where dubbed
Rosie the Riveters, built planes and tanks to send into
battle).

In 2006 the Star Ledger Munchmobile voted
Linwood “Best Burger”. They should come back and
try the Pizza.

The Linwood has kept stride with the ever
changing times to ensure a family friendly, local
gathering place, with great food, 24 Craft, Import, and
domestic beers on tap.
